RE: RECOMMENDATION FOR JAMLICK KOGI: EVENT PLANNER

GMP services Limited engaged Jamlick Kogi of Keije Entertainment and TCM Africa to plan for us event logistics for our training. He was highly recommended by one of our clients. The event took place on November 16-November 19, 2022 at Naivasha.

Jamlick and his team helped us put together a successful event by recommending, negotiating, and booking accommodations for our team, recommending good venues for indoor and outdoor training and coordinating transport logistics to and fro Nairobi. On the last day, they put together a cocktail and dinner to our preference. They are professional in their work and consult the client every step of the way to deliver on expectations.

I recommend Jamlick and TCM Africa/ Keije Entertainment as the go-to event planners for corporate organizations seeking professional, trustworthy, and creative event planners.

Yours faithfully,

RE: CORPORATE EVENT PLANNING & MC SERVICES

I have known Jamlick (MC Kogi) for over 10 years. We engaged his services to help us plan the launch of our insurance agency (Elisabetta Insurance Agency) on Tuesday 31st May 2022 at our offices.

Jamlick is a great communicator who embraced creativity and coordinated with us to deliver a colourful and successful event. In addition, his emceeing skills are outstanding. He kept our audience entertained during the launch and dedication of our company. He does his research well to connect with the audience and theme.

Professionalism, creativity, and commitment stand out for TCM Africa and Keije entertainment. It is always a pleasure working with Jamlick. Engage him to deliver successful and creative corporate events.

Faithfully,

RE: RECOMMENDATION FOR TCM AFRICA & KEIJEI ENT: EVENT PLANNER

This is to confirm that Jamlick Kogi (MC Kogi) an event planner with TCM Africa and corporate MC with Keije Entertainment provided event planning and MC services during our end-of-year party held on 17th December 2022 in Nairobi.

Jamlick worked with our representative to plan an excellent event. He recommended a good venue, coordinated catering services, and venue decoration, and drafted the event program. TCM Africa also branded the end-of-year dinner.

During the dinner, Jamlick (MC Kogi) was our master of ceremonies. He engaged and entertained our guests and managed the program well. His emceeing skills are on point and keep growing every time we engage him. We would not have wished to have another MC. Their DJ played music to our taste and their dancer led our team with good moves, making our event lively.

I highly recommend Jamlick Kogi is a talented, creative, and natural corporate MC and an event planner who takes care of the small details to deliver a good event.

Faithfully,

Stanley Mungai,

Chief Executive Officer,

OrigAfric Softwares (K) Ltd.

RE: RECOMMENDATION FOR TCM AFRICA: EVENT PLANNER

This is to confirm that we have partnered severally with TCM Africa to plan events for our clients. Putting together a book launch calls for a committed planner who is keen on details and managing the various dynamics of an event with precision. From inviting guests to making the program, to décor, screens and projectors, public address, live music, coordinating catering, and event coverage, we found no reliable service provider and event manager than TCM Africa. Our clients are always happy and looking forward to the next event. As they say, a job is either done with excellence or should not be done at all. Engage TCM Africa to deliver unique and creative events. They deliver beyond expectations.

Yours faithfully,

Justine Mwaniki
